

Fantastic tourism opportunity

Land/Development

27 Vitenbergs Drive, Point Samson, WA 6720

Floor Area: 0 m²

Land Area: 0.83ha (2.06 acres)
(approx)

Property Description

Zoned TOURISM and suited to restaurant or resort development this 8325 square metre parcel enjoys stunning ocean views and is set on an idyllic swimming beach. If there are any positives to the Covid world we now live in, one would be that so many Australians are holidaying at home. Point Samson, with it's superb beaches, excellent boat ramps and world class fishing has been an iconic tourist / grey nomad destination for years and that will surely grow. Nearby attractions include Historic Cossack with it's circa 1800's buildings and beautiful mangrove creeks, home to the much prized mud crab. Karratha, the major centre of the Pilbara is less than an hours drive while nearby Roebourne is the gateway north to Port Hedland and Broome.
